

TWO NEW SESSIONS START JULY 2023!

Education at **THE NEW GROUP**

SUMMER 2023

MY STORY: TRANSFORMING PERSONAL STORIES FOR COLLEGE ACCESS

Learn to show your best self! Using theater techniques including improvisation and playwriting, these intensive classes offer teens the chance to create and refine their own personal stories for use in the college application process. **FREE!**

MY STORY: ESSAY WRITING

Students in this workshop will create “monologues” drawn from personal experience that can be used as Common Application essays. Finding compelling stories by practicing speaking and writing about themselves, students will engage in collaborative theater writing exercises to free up their ability to express themselves fully and openly in writing, and present their work in written and oral form for feedback from professional theater artists.

Group A: Wednesdays, July 12 - August 2

Where: **ONLINE**

When: 5:30 - 7:30PM

Group B: Mondays, July 17 - August 7

MY STORY: INTERVIEW EDITION

Practice basic - and fun! - acting techniques with professional theater artists to gain new confidence and facility in talking about oneself in interview settings. Students will work with other members of the group on popular interview questions from the past three years of college admissions. They will discover what they really want to say about themselves, and how to say it most effectively and with greatest clarity.
